The Dally Journal has much the largest circulation in the city and dou-ble the circulation in the country of any trieve the falling fortunes of the nation, and to other dally paper printed in Louisville; this party the men of peace may join them and the Weekly Journal has much more selves. It is the American party, a party whose than double the circulation of all the end and aim are to preserve this Union in its other weekly papers in Louisville put purity and strength for those who come after

SATURDAY, AUGUST 23, 1856.

a heavy cost to the national treasury; but the fact will remain, that a deed is perpetrated egislation, mue' lay this confederacy in ruins. It is revolution, bold, undisguised revolution; the revolution of faction, which demands the recognition of its dogmas and the legalization of its dogmas and the legalization of its disorganizing creed, at the peril of the disorganizing creed, at the disorganization creed, at the disorganization creed, a It is revolution, bold, undisguised revolution whole Union and capacity for all the list disorganizing creed, at the perit of dissolution. Treason may assume a bloodier and more startling guise, but certainly none the American people be prond of him as a citimate of the American people be prond of him as a citimate of the American people will be the American people will be an honest man or a knave. An honest man or a knave. An honest man or a knave. An honest man or a knave of the period of t not sleep on in security till they are waked by the drum. The time was when revolution the shape of legislative coercion would have

me seems to question. Everybody acts and talks as though a monster-mischief were nigh, and yet nearly every one takes it for granted that the calamity by some means or other wil be averted. This Is not the way in which a crisis should be met. The means and the duty of preservation belong alike to every citizen bility to his country and meet it like R msn, This supporter of James Buchanan as a candilike an American. Heretofore Congress has date for the Presidency puts forth by far the laws of a similar character. erposed to beat back the tide of revolution but, in the present case, Congress has suc the alarm of liberty in that body is hushed in chanan. death; the grant that caught the blows of dismion on his burnished helmet is mouldering in parted hero a meanly malignant villifier and an disqualification for a Judgeshlp. the grave. Neither Clay nor Webster is there.

They are both gone, and with them, we fear, charges that in his deathbod letter he was dethe prestige of exalted genius and grandeur, of liberately "gullty of a double falsehood, a falsepersonal devotion to liberty, which enabled the hood against Clay and Adams and a falsehood National Legislature to meet and quell the dangers which assailed us. The people will have display of crazy rancor," and that the whole to judge and act for themseives. Will they

What then is the remedy? The danger is ad- upon the dead hero for James Buchanan's sake mitted; the urgency of the crisis is apparent to by one of the Sag-Nicht organs will be as every one; but what is to be done? Surely kindly tolerated by the rest of the organs as We need not say to our Southern readers that the first was. We presame that not a Sag-the nemination of a sectional candidate for the Presidency is merely an aggravation of the evi; of it. The whole Sag-Nicht press will quietly paired to their posterity -will not such be ad-vised in season and come out from among the approach of death, his true and long-settled nemies of the Constitution? If they will hut a opinions of the character and his absointe acceptance and the conduct of James Buchanan. of their property and independence, those oi dry in the Democratic calendar; the whole them who are not conspiring for the discolution of the Union would surely hesitate to go are willing and more than willing to behold the further; and to pause would be to return. If they succeed, they must do so at the loss of obscene birds, if the foul things will but chat what little feeling of brotherhood now lingers ter and caw and scream for James Buchanan. among us; and how pairry the triumph in com-

discord and desolution to be apprehenced from old and intimate friend Maj. Lewis. He knew t, in so far as the peace and fellowship of no longer cherished any earthly ambition. ously the grounds upon which we make this such circumstances, he was called on to en frankly, and we conjure our fellow-citizens to of all men living, was best qualified to judge examine it with us in the same spirit.

Of all men living, was best qualified to judge He stated what he personally knew. What he
